This event started as a "dress rehearsal" for Prime Tyme Allstar teams, but has since grown into the amazing event it is today!
We are so glad to have you! Cheer Festival is no-pressure and is designed to help competitive cheer teams prepare for competition season and to grow interest in the sport of competitive cheer!

Today, teams from all over the Middle Tennessee and Southern Kentucky area get to show off for you!

Thank you for helping Prime Tyme give back to the community in a big way!!

All canned food items brought for admission today will be donated to the 2nd Harvest Food Bank.

Our goal this year is to donate a literal TON (2,000lbs) of food!

The Silent Auction, also located in the lobby, benefits the Prime Tyme Allstars College Scholarship Fund,

Today's concessions sales go to benefit the cheerleaders of Pope John Paul II High School.

THANKS TO:

All of the cheerleaders, coaches, friends, and family at today's event
